Social and Personal

The skipping rope season has arrived, and to the pedestrian who starts out for an afternoon walk the city seems quite full of little girls in pretty spring frocks, some swinging, some jumping, some counting, and all with the merry air and the flushed cheeks of happy, laughing childhood. To those of riper years there is something very attractive in the abandon and easy confidence of the children, taking them back to the time when they, too, found their pleasures in just such sports and recreations.

In the market the pink and white honeysuckle in great fragrant bunches is offered with nardus, buttercups, cool, green and white sprays of dog-wood, and last, but not of all, clustered masses of snow-balls, such as grew in the old-fashioned gardens where memory loves still to stray and find its pleasures. One has but to lean back, close the eyes, and a vision of broad walks, with trim and low barriers beyond which blows the flowering almond, the bridal wreath, the bleeding heart, the lilacs and the tossing plumes of the snow-bell, comes back with a rush, transports one to fairyland, and cheats the present of grim thoughts.

For out-of-door life the world has put on so fair a seeming that one might be like that world which the Apocryphal writer has likened to a bride arrayed for her bridegroom, so lovely is the newly-woven robe which nature has flung over her shoulders.

Scott—Leitch.

The marriage of Miss Mattie Moore Leitch to Lieutenant Philip Henshaw Scott, of the revenue cutter service, will take place at 6 P. M. to-day, in the home of the bride's sister, near Frederick's Hall, Va.

Lieutenant Scott is the son of State Librarian W. W. Scott, and has many friends in Richmond.

Moore—Rehling. This afternoon at 5 o'clock, in the home of the bride's parents, Mr. and Mrs. William Rehling, of No. 334 South Third Street, Miss Olga M. Rehling and Mr. Carlton Ridgeway Moore, of Northampton county, will be married, the Rev. Dr. Paul L. Menzel, of St. John's German Evangelical Church, officiating.

Miss Rehling will be attended by her maid of honor, Miss Louise Crutchfield, and by six bridesmaids, Miss Minnie Wischmeyer, of Baltimore; Miss Lydia Van Ness, of Northampton county; Miss Clara Thilow, of Philadelphia; Miss Ella Holmes, Miss Katherine Phillips and Miss Elizabeth van N. Rosenek.

Mr. Walker Johnson, of Northampton county, will be best man and the groomsmen Mr. Samuel Shinn, of Mount Hope, New Jersey; Mr. C. R. Irick, Chester, Pa.; Mr. C. Roberts, of Northampton county; Mr. M. W. Spilman, of Richmond; Mr. Herbert H. Stacy, and Mr. Judson Hoen.

The wedding will be followed by a reception, after which the bride and groom will leave for an extended wedding trip.

The Oakwood Memorial Association will hold its annual memorial service at the Third Presbyterian Church, Sunday next, May 2d, at 8 P. M.

All Confederate organizations are cordially invited to attend. The services will be conducted by the Rev. Dr. Engleston, assisted by the Rev. Dr. J. P. Smith. The music, selected especially for the occasion, will be very beautiful.

The commencement exercises of the graduating nurses' class at the Old Dominion Hospital were held last evening at the Medical College of Virginia.

Hon. S. L. Kelley, Dr. Christopher Tompkins and Dr. George H. Johnston were present, the diplomas being awarded by Dr. Tompkins and the gold medals by Dr. Johnston. The benediction was pronounced by Dr. Morris.

The hall where the exercises were held was handsomely decorated by Hammond and orchestral music added to the impressiveness of the occasion. The names of the graduating class were Miss Julia Edgington Ruff, Miss Margaret Melville Walker, Miss Nannie Mayo Spencer, Miss Mary Elizabeth Ewald, Miss Grace Strader, Miss Mary C. Evans, Miss Elizabeth Copeland and Miss Anna Belle Furness.

The friends of the young ladies were present and flowers and hearty applause were not lacking.

Flanning—Grimes. The wedding of Miss Ella Louise Grimes, whose father, Mr. John Grimes, is a member of the City Council, to Mr. Christopher Flanning, a prominent figure in local politics, will take place this morning at 8 o'clock in the home of the bride, No. 10 North Thirteenth Street, the Rev. Father H. A. McKeeff officiating.

season will surpass this in interest and brilliancy.

Mrs. T. C. Martin, of Staunton, is spending a week in the city with her sister, Miss J. W. Barkdale, of Charlotte county, and Mrs. W. O. Lovelace, of Halifax county, visiting their niece, Mrs. Dr. George E. Barkdale, on Chimborazo Park, Thirty-second Street.

Miss Minnie L. Wischmeyer, of Baltimore, Md., is in the city to attend the wedding of Mr. Ridgeway Moore and Miss Olga Rehling, to-day. In the city she will be the guest of her friend, Miss Katherine Phillips, No. 21 East Clay Street. She will remain in Richmond for several days.

FOR ATTORNEY-GENERAL

The Name of Hon. R. B. Davis, of Petersburg, is Being Mentioned.

"There stands one of the brainiest lawyers in Southern Virginia," said a prominent House member the other day while Hon. R. B. Davis, of Petersburg, was making one of his powerful legal arguments on some pending measure.

"Wouldn't he make a rattling Attorney-General?" inquired the member of some colleagues, and they all agreed to the proposition with one accord. And then, at once, there was much quiet talk along the line of asking Mr. Davis to enter the race and he will no doubt be inclined to do so at the proper time. The senior member from Petersburg, however, is essentially a lawyer and does not care much for political honors. He was a member of the House back in the 70's, but declined re-election and has since been back after many years under strong pressure. Mr. Davis is a powerful advocate and his friends say he would make an admirable attorney-general.

A FESTIVAL NEXT MONTH

A Great Occasion at Broad-Street Park May 18th.

CONTINUE UNTIL MAY 23D

It is for the Benefit of the Chimborazo Hospital, and All Kinds of Attractions Are to Be Presented.

Great interest is being manifested in the coming May Festival and Exposition to be held under the auspices of the Chimborazo Hospital in Broad-Street Park May 18th to 23d. The worthy object for which the affair will be conducted is expected to command itself to all citizens, and those having the festival in charge promise a list of attractions never before offered at any similar entertainment.

The fête will be under the supervision of the General Amusement Company of Cincinnati, O., which has made an enviable reputation as purveyors in this line of amusement, having conducted successful shows in all of the larger cities of the North and West, notably the fall festival in the Queen City, where over \$100,000 is expended annually. Following the line of the Cincinnati Festival, the promoters have designed in an enclosure, owing to the discussion that a street fair occasioned when the subject was brought up at a meeting of the Broad and Main Street merchants held in Murphy's Hotel several weeks ago.

The merchants, however, are thoroughly in accord with the present undertaking, and many of the leading firms have promised to make attractive exhibits on the grounds. From present prospects the industrial display promises to be representative and varied.

MR. LITT RETURNS.

Mr. George O. Litt, the general representative of the General Amusement Company who is aiding in the promotion of the coming festival, returned from the West last night, where he went to arrange for the carnival features of the show. Mr. Litt announces that he has succeeded in securing a number of startling novelties never before seen in Richmond. Several of these shows were featured on the Midway at the Pan-American Exposition, in Buffalo, and will later be seen at the St. Louis Exposition. The Chimborazo officials have been most careful in the selection of the attractions, and nothing but the most refined shows will be allowed to exhibit, thus insuring the attendance of the very best element of amusement-lovers.

MANY FREE SHOWS.

The free attractions will form no small part of the exhibition, and the management announces that several high-class features will be seen in the park during the week of the festival. In this connection the famous Weltzmann will give their world-renowned performance on the high wire. They are pronounced by press and public to be the greatest artists in the profession, and have appeared with unequalled success in all the large capitals of Europe and South America.

CONTRACTOR GUDE TO BE GIVEN WORK

Street Committee Reverses Its Action—To Be Taken to the Council.

By a vote of six to four the Committee on Streets yesterday afternoon reversed its previous action and decided to allow J. A. Gude to undertake and complete the work in West Broad Street, between Laurel and Harrison. Gude was awarded the contract for this job last year, but before he entered actively upon the work the fiscal year expired and his contract became null and void.

The action of the committee in reversing its position is attributable entirely to their view of the equity of the matter. No one claiming that the Gude could complete the city to allow him to finish the job. However, the vote was not taken immediately the question was brought up, and it was only after a fierce debate that a ballot on the matter was reached.

Councilmen Peters and West, both of whom opposed giving the work to Gude, will bring the question to the attention of the Common Council, when an effort will be made to set aside the finding of the committee, of which they are members.

During the course of the debate, which assumed the proportions of a general cross-fire, Mr. Peters said that a member of the Lee Ward delegation had been lobbying and drinking water for a month in the city of Gude. He made other remarks which the delegation implied as an attack upon them officially, and Mr. Huber shouldered the burden of the so-called lobbying. Nothing sensational developed, and no great display of feeling was manifested either one way or the other.

The vote follows: For Gude (favoring allowing him to complete the work at the old contract price)—Messrs. Adams, Minor, Teafey, Huber, Philbrick, Willard, 6. Against Gude—Messrs. Peters, West, Baken, Allen—4.

After a long discussion the committee recommended that the grade of Sixth Street, between Broad and Grace, be permanently fixed, and in the future, by Mr. Sproun, who has been very busy for some time, and considerable feeling has been displayed by interested property owners. The final action was taken at the instance of the City Engineer.

A PHENIX.

Head of a Colorado School System at 29

A strong, healthy, hungry farmer's boy can eat pretty near anything that he can get his teeth into. It is very apt in this way to lay the foundation for future ill health, particularly if he takes up a sedentary occupation in later life.

A prominent young man of a firm in Colorado, who was born on a farm in Eastern Illinois, says: "Three years ago I came to Colorado and took charge of the grammar department of the schools here until February, 1901, when my poorly nourished body could no longer stand the strain upon it, and I completely collapsed in both body and mind. For two weeks I lay at the point of death, unconscious most of the time. Then Grape-Nuts was fed to me as a steady diet and the change began. I seemed a miracle."

"To cut the tale short I am now principal of our school system here at 29 years of age and am doing double the amount of brain work I ever did before and am in better health than at any time since I can remember. I eat and digest all kinds of food, no laxatives are used and headaches are almost unknown. Grape-Nuts has made this change for me. You can understand why I most heartily recommend Grape-Nuts, which is now a regular dish at morning and evening meals in my family." Name furnished by Postum Co., Battle Creek, Mich.

A number of Portsmouth gentlemen are in favor of the change, but the committee, after the argument on the bill, determined to report it adversely.

The vestry of Epiphany Church will tender the choir of that church to entertain the members of the Parish Hall from 8 to 12 o'clock May 7th.

Miss Mary Carter, of Louisa, is visiting Mrs. George B. Carter, of Brookland Park.
